Paroles :

I found a love for me	To carry love, to carry children of our own
Darling just dive right in	We are still kids, but we're so in love
And follow my lead	Fighting against all odds
Well I found a girl beautiful and sweet	I know we'll be alright this time
I never knew you were the someone waiting for me	Darling, just hold my hand
'Cause we were just kids when we fell in love	Be my girl, I'll be your man
Not knowing what it was	I see my future in your eyes
I will not give you up this time	Baby, I'm dancing in the dark, with you between my arms
But darling, just kiss me slow, your heart is all I own	Barefoot on the grass, listening to our favorite song
And in your eyes you're holding mine	When I saw you in that dress, looking so beautiful
Baby, I'm dancing in the dark with you between my arms	I don't deserve this, darling, you look perfect tonight
Barefoot on the grass, listening to our favorite song	Baby, I'm dancing in the dark, with you between my arms
When you said you looked a mess, I whispered underneath my breath	Barefoot on the grass, listening to our favorite song
But you heard it, darling, you look perfect tonight	I have faith in what I see
Well I found a woman, stronger than anyone I know	Now I know I have met an angel in person
She shares my dreams, I hope that someday I'll share her home	And she looks perfect
I found a love, to carry more than just my secrets	I don't deserve this
	You look perfect tonight
