Paroles :

The door slammed loud and rose up a cloud of dust on us
Footsteps follow, down through the hollow sound, torn up

And you will go to Mykonos
With a vision of a gentle coast
And a sun to maybe dissipate
Shadows of the mess you made

How did any holes in the snow-tipped pines, I find
Hatching from the seed of your thin mind, all night

Brother, you don't need to turn me away
I was waiting down at the ancient gate
You go wherever you go today
You go today
I remember how they took you down
As the winter turned the meadow brown
You go wherever you go today
You go today
When out walking, brother, don't you forget
It ain't often that you'll ever find a friend
You go wherever you go today
You go today
