Paroles :

Who knows how long I've loved you
 You know I love you still
 Will I wait a lonely lifetime
 If you want me to-- I will.
 For if I ever saw you
 I didn't catch your name
 But it never really mattered
 I will always feel the same.
 Love you forever and forever
 Love you with all my heart

Love you whenever we're together
 Love you when we're apart.
 And when at last I find you
 Your song will fill the air
 Sing it loud so I can hear you
 Make it easy to be near you
 For the things you do endear you to me
 You know I will
 I will.
