Paroles :

Didn't know what time it was
 The lights were low, oh, oh
 I leaned back on my radio, oh, oh
 Some cat was layin' down some rock 'n' roll lotta
 soul, he said
 Then the loud sound did seem to fade
 Came back like a slow voice on a wave of phase
 That weren't no DJ
 That was hazy cosmic trace
 There's a Starman waiting in the sky
 He'd like to come and meet us
 But he thinks he'd blow our minds
 There's a Starman waiting in the sky
 He's told us not to blow it
 'Cause he knows it's all worthwhile
 He told me
 Let the children lose it
 Let the children use it
 Let all the children boogie
 I had to phone someone, so I picked on you
 Hey, that's far out, so you heard him too!
 Switch on the TV, we may pick him up on
 channel two
 Look out your window, I can see his light

If we can sparkle, he may land tonight
 Don't tell your poppa or he'll get us locked up in
 fright
 There's a Starman waiting in the sky
 He'd like to come and meet us
 But he thinks he'd blow our minds
 There's a Starman waiting in the sky
 He's told us not to blow it
 'Cause he knows it's all worthwhile
 He told me
 Let the children lose it
 Let the children use it
 Let all the children boogie
 Starman waiting in the sky
 He'd like to come and meet us
 But he thinks he'd blow our minds
 There's a Starman waiting in the sky
 He's told us not to blow it
 'Cause he knows it's all worthwhile
 He told me
 Let the children lose it
 Let the children use it
 Let all the children boogie
