Paroles :

How can I keep on smiling at there disguise?	It's only mystery and I like it
When I know nothing good ever comes from lies	It's only mystery
My heart is no beginner	We could dream of a grand evolution
But still I can lose my temper	Where we wouldn't ask anymore questions
How can we keep on watching that fucking TV?	There will be no, no more pretenders
We're so bored we don't even care what we see	Use the love that I offer
Takes our strength away	Dreaming is not the answer
And never, never shows us the way, no	It's only mystery and I like it
But I think I know the answer	It's only mystery and I like it
It's only mystery and I like it	It's only mystery and I like it
It's only mystery and I like it	It's only mystery
It's only mystery	It's only mystery
How can the banks of a river meet?	It's only mystery
Sitting on her bed staring at her feet	Don't know nothing but I do know that it's a
She thinks life is water	mystery
And love, love is a river	It's only mystery and I like it
But is a child the answer?	It's only mystery and I like it
It's only mystery and I like it	It's only mystery and I like it
It's only mystery and I like it
