| If you ever find yourself stuck in the middle of the sea, | Ooh |
| I'll sail the world to find you | Find out what we're made of |
| If you ever find yourself lost in the dark and you can't see, | When we are called to help our friends in need |
| I'll be the light to guide you | You can count on me like one two three |
| Find out what we're made of | I'll be there |
| When we are called to help our friends in need | And I know when I need it I can count on you |
| You can count on me like one two three | like four three two |
| I'll be there | You'll be there |
| And I know when I need it I can count on you | 'Cause that's what friends are supposed to do, oh |
| like four three two | yeah |
| You'll be there | Oh, oh |
| 'Cause that's what friends are supposed to do, oh | Yeah, yeah |
| yeah | You'll always have my shoulder when you cry |
| Whoa, whoa | I'll never let go |
| Oh, oh | Never say goodbye |
| Yeah, yeah | You know you can |
| If you tossin' and you're turnin' and you just can't fall asleep | Count on me like one two three |
| I'll sing a song | I'll be there |
| Beside you | And I know when I need it I can count on you |
| And if you ever forget how much you really mean | like four three two |
| to me | And you'll be there |
| Everyday I will | 'Cause that's what friends are supposed to do, oh |
| Remind you | Oh, oh |
| | You can count on me 'cause I can count on you |
