Paroles :

Something just changed in your soul  
Tell me baby what's wrong  
What's going on  
Have you been crying  
Something just flaked in your eyes  
There's a crack in your gaze  
Like those broken days  
Am I seeing things  
Talk to me  
Talk to me  
Baby talk it's me  
Talk to me  
Something got hold of your soul  
You're like never before  
Is there something more  
Have I missed anything  
Seems like the sun is shining  
On everyone but me  
Won't you talk to me  
This is getting scary  
Baby talk to me  
Please talk to me  
Baby talk it's me  
Talk to me  
Something just changed in my world  
And it's killing me
