Paroles :

She played the fiddle in an Irish band	A capella in the bar using her feet for a beat
But she fell in love with an English man	Oh, I could have that voice playing on repeat for a
Kissed her on the neck and then I took her by the hand	week
Said, "baby, I just want to dance"	And in this packed out room swear she was singing to
I meet her on Grafton street right outside of the bar	me
She shared a cigarette with me while her brother	You know, she played the fiddle in an Irish band
played the guitar	But she fell in love with an English man
She asked me what does it mean, the Gaelic ink on	Kissed her on the neck and then I took her by the hand
your arm?	Said, "baby, I just want to dance"
Said it was one of my friend's songs, do you want to	My pretty little Galway girl
drink on?	My, my, my, my, my, my, my, my Galway girl
She took Jamie as a chaser, Jack for the fun	My, my, my, my, my, my, my, my Galway girl
She got Arthur on the table with Johnny riding as a	My, my, my, my, my, my, my, my Galway girl
shotgun	And now we've outstayed our welcome and it's
Chatted some more, one more drink at the bar	closing time
Then put Van on the jukebox, got up to dance	I was holding her hand, her hand was holding mine
You know, she played the fiddle in an Irish band	Our coats both smell of smoke, whisky and wine
But she fell in love with an English man	As we fill up our lungs with the cold air of the night
Kissed her on the neck and then I took her by the hand	I walked her home then she took me inside
Said, "baby, I just want to dance"	To finish some Doritos and another bottle of wine
With my pretty little Galway girl	I swear I'm gonna put you in a song that I write
You're my pretty little Galway girl	About a Galway girl and a perfect night
You know she beat me at darts and then she beat me at	She played the fiddle in an Irish band
pool	But she fell in love with an English man
And then she kissed me like there was nobody else in	Kissed her on the neck and then I took her by the hand
the room	Said, "baby, I just want to dance"
As last orders were called was when she stood on the	My pretty little Galway girl
stool	My, my, my, my, my, my, my, my Galway girl
After dancing to Kaleigh, singing to trad tunes	My, my, my, my, my, my, my, my Galway girl
I never heard Carrickfergus ever sang so sweet	My, my, my, my, my, my, my, my Galway girl, hey
