Paroles :

Made a meal and threw it up on Sunday  
I've got a lot of things to learn  
Said I would and I'll be leaving one day  
Before my heart starts to burn  
So what's the matter with you?  
Sing me something new... Don't you know  
The cold and wind and rain don't know  
They only seem to come and go, away  
Times are hard when things have got no meaning  
I've found a key upon the floor  
Maybe you and I will not believe in  
The things we find behind the door  
Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows the way it's gonna be  
If you're leaving will you take me with you?  
I'm tired of talking on my phone  
There is one thing I can never give you  
My heart will never be your home
