Paroles :

You've got a friend in me  
 You've got a friend in me  
 When the road looks rough ahead  
 And you're miles and miles  
 From your nice warm bed  
 Just remember what your old pal said  
 Boy, you've got a friend in me  
 You've got a friend in me  
 You've got a friend in me  
 You've got a friend in me  
 You've got troubles, well I've got 'em too  
 There isn't anything I wouldn't do for you  
 We stick together and we see it through  
 You've got a friend in me  
 You've got a friend in me

Some other folks might be  
 A little bit smarter than I am  
 Bigger and stronger too  
 Maybe  
 But none of them will ever love you the way I do  
 It's me and you  
 And as the years go by  
 Boys, our friendship will never die  
 You're gonna see  
 It's our destiny  
 You've got a friend in me  
 You've got a friend in me  
 You've got a friend in me
