I saw you two weeks ago, I thought you were
ugly as fuck
Now I'm at this party 'front of you, this time I'm
drunk
Didn't notice that ass, I'll be frank I wanna fuck
Didn't notice that you were not that ugly as fuck

Maybe, maybe, maybe, maybe
I'll try, I'll try
Not to love you only when I'm drunk, high
Drunk, high
Maybe, maybe, maybe, maybe
I'll try, I'll try
Not to love you only when I'm drunk, high
Drunk, high

I saw you two weeks ago, I thought you were just
perfect but..
Now I'm at this party 'front of you this time
you're drunk
Didn't thought a guy like you could turn into a
scrub
You might not see it but right now you're ugly as
fuck

Maybe, maybe, maybe, maybe
I'll try, I'll try
Not to love you only when I'm drunk, high
Drunk, high
Maybe, maybe, maybe, maybe
I'll try, I'll try
Not to love you only when I'm drunk, high
Drunk, high

She tryna hurt me with goodbyes
She don't know, she ain't the one
She tryna hurt me with goodbyes
You're not the first, nor the last one

Maybe, maybe, maybe, maybe
I'll try, I'll try
Not to love you only when I'm drunk, high
Drunk, high
Maybe, maybe, maybe, maybe
I'll try, I'll try
Not to love you only when I'm drunk, high
Drunk, high
