Paroles :

She'll lie and steal and cheat
And beg you from her knees
Make you thinks she means it this time

She'll tear a hole in you,
the one you can't repair
But I still love her, I don't really care

When we were young
Oh oh, we did enough
When it got cold
Ooh ooh, we bundled up
I can't be told
Ah ah it can't be done

It's better to feel pain,
than nothing at all,

The opposite of love's indifference

So pay attention now
I'm standing on your porch screaming out
And I won't leave until you come downstairs

So keep your head up, keep your love
Keep your head up, my love
Keep your head up, my love
Keep your head up, keep your love

And I don't blame ya dear
For running like you did, all these years
I would do the same, your best believe

And the highway signs say we're close
But I don't read those things anymore
I never trusted my own eyes

When we were young
Oh oh, we did enough
When it got cold,
Ooh ooh we bundled up
I can't be told,
Ah ah, can't be done

Keep your head up, keep your love
Keep your head up, my love
Keep your head up, my love
Keep your head up, keep your love
Head up, love
Head up, love
Head up, love
Head up, love
