paroles :

I was scared of dentists and the dark  
I was scared of pretty girls and starting  
conversations  
Oh, all my friends are turning green  
You're the magician's assistant in their dreams  
Oh

Oh and they come unstuck  
Lady, running down to the riptide  
Taken away to the dark side  
I wanna be your left hand man  
I love you when you're singing that song and  
I got a lump in my throat 'cause  
You're gonna sing the words wrong  
Is this movie that I think you'll like  
This guy decides to quit his job and heads to New  
York City

This cowboy's running from himself  
And she's been living on the highest shelf  
Oh  
Oh and they come unstuck  
Lady, running down to the riptide  
Taken away to the dark side  
I wanna be your left hand man  
I love you when you're singing that song and  
I got a lump in my throat 'cause  
You're gonna sing the words wrong  
I just wanna, I just wanna know

If you're gonna, if you're gonna stay  
I just gotta, I just gotta know  
I can't have it, I can't have it any other way  
I swear she's destined for the screen  
Closest thing to Michelle Pfeiffer that you've ever  
seen, oh

Lady, running down to the riptide  
Taken away to the dark side  
I wanna be your left hand man  
I love you when you're singing that song and  
I got a lump in my throat 'cause  
You're gonna sing the words wrong  
Oh lady, running down to the riptide  
Taken away to the dark side

I wanna be your left hand man  
I love you when you're singing that song and  
I got a lump in my throat 'cause  
You're gonna sing the words wrong  
Oh lady, running down to the riptide  
Taken away to the dark side  
I wanna be your left hand man  
I love you when you're singing that song and  
I got a lump in my throat 'cause  
You're gonna sing the words wrong  
I got a lump in my throat because you're gonna  
sing the words wrong
