Paroles :

Words are flowing out like endless rain into a
paper cup,
They slither while they pass, they slip away
across the universe
Pools of sorrow, waves of joy are drifting through
my open mind,
Possessing and caressing me.
Jai guru deva om
Nothing's gonna change my world,
Nothing's gonna change my world.
Nothing's gonna change my world,
Nothing's gonna change my world.
Images of broken light which dance before me
like a million eyes,
That call me on and on across the universe,
Thoughts meander like a restless wind inside a
letter box they
Tumble blindly as they make their way

Across the universe
Jai guru deva om
Nothing's gonna change my world,
Nothing's gonna change my world.
Nothing's gonna change my world,
Nothing's gonna change my world.
Sounds of laughter shades of earth are ringing
Through my open views inciting and inviting me
Limitless undying love which shines around me
like a
million suns, it calls me on and on
Across the universe
Jai guru deva om
Nothing's gonna change my world,
Nothing's gonna change my world.
Nothing's gonna change my world,
Nothing's gonna change my world.
