Hello, it's me	That the both of us
I was wondering if after all these years you'd like to meet	Are running out of time
To go over everything	So hello from the other side (other side)
They say that time's supposed to heal ya	I must've called a thousand times (thousand times)
But I ain't done much healing	To tell you I'm sorry
Hello, can you hear me?	For everything that I've done
I'm in California dreaming about who we used to be	But when I call you never
When we were younger and free	Seem to be home
I've forgotten how it felt before the world fell at our feet	Hello from the outside (outside)
There's such a difference between us	At least I can say that I've tried (I've tried)
And a million miles	To tell you I'm sorry
Hello from the other side	For breaking your heart
I must've called a thousand times	But it don't matter, it clearly
To tell you I'm sorry	Doesn't tear you apart anymore
For everything that I've done	Oh, anymore
But when I call you never	Oh, anymore
Seem to be home	Oh, anymore
Hello from the outside	Any more
At least I can say that I've tried	Hello from the other side (other side)
To tell you I'm sorry	I must've called a thousand times (thousand times)
For breaking your heart	To tell you I'm sorry
But it don't matter, it clearly	For everything that I've done
Doesn't tear you apart anymore	But when I call you never
Hello, how are you?	Seem to be home
It's so typical of me to talk about myself, I'm sorry	Hello from the outside (outside)
I hope that you're well	At least I can say that I've tried (I've tried)
Did you ever make it out of that town	To tell you I'm sorry
Where nothing ever happened?	For breaking your heart
It's no secret	But it don't matter, it clearly
	Doesn't tear you apart anymore
