Paroles :

You leapt from crumbling bridges watching  
cityscapes turn to dust  
Filming helicopters crashing in the ocean from  
way above

Got the music in you baby  
Tell me why  
Got the music in you baby  
Tell me why

You've been locked in here forever and you just  
can't say goodbye

Kisses on the foreheads of the lovers wrapped in  
your arms

You've been hiding them in hollowed out pianos  
left in the dark

Got the music in you baby  
Tell me why  
Got the music in you baby  
Tell me why

You've been locked in here forever and you just  
can't say goodbye

Your lips  
My lips  
Apocalypse  
Your lips

My lips  
Apocalypse  
Go and sneak us through the rivers flood is rising  
up on your knees  
Oh please  
Come out and haunt me  
I know you want me  
Come out and haunt me

Sharing all your secrets with each other since you  
were kids  
Sleeping soundly with the locket that she gave  
you clutched in your fist

Got the music in you baby  
Tell me why  
Got the music in you baby  
Tell me why

You've been locked in here forever and you just  
can't say goodbye  
You've been locked in here forever and you just  
can't say goodbye

Oh  
When you're all alone  
I will reach for you  
When you're feeling low  
I will be there too
