Paroles :

These four lonely walls have changed the way I feel	I'm runnin' still
The way I feel	I'm runnin' still
I'm standing still	And every voice that cried inside my head,
And nothing else matters now, you're not here	forever drives
So where are you?	Forever drives
I've been callin' you	I've killed the lights, oh
I'm missin' you	Where else can I go?
Where else can I go? Where else can I go?	And where else can I go?
Chasin' you, chasin' you	Chasing you, chasing you oh
Memories turn to dust	Runnin', runnin', runnin', runnin'
Please don't bury us, I got you	Runnin', runnin', runnin'
I got you	Ain't runnin' from myself no more
Runnin', runnin', runnin', runnin'	Together we'll win it all
Runnin', runnin', runnin'	I ain't runnin', runnin', runnin', runnin'
Ain't runnin' from myself no more	Runnin', runnin', runnin'
Together we'll win it all	Ain't runnin' from myself no more
I ain't runnin', runnin', runnin', runnin'	I'm ready to face it all
Runnin', runnin', runnin'	If I lose myself, I lose it all
Ain't runnin' from myself no more	If I lose myself, I lose it all
I'm ready to face it all	If I lose myself, I lose it all
If I lose myself, I lose it all	
I've outrun the fears that chased	
They're standin' still
